

20 Microns' CRISIL Ratings Reaffirmed as Rated Bank Facilities Increase to ₹117 Crore

13 October 2025

CRISIL reaffirmed 20 Microns Limited's CRISIL A/Stable long-term rating and CRISIL A1 short-term rating in October 2025.

The total bank facilities rated by CRISIL increased to ₹117 crore from ₹111 crore in the earlier rating assessment. The reaffirmation reflected CRISIL's continued assessment of the company's operating profile and financial position.

The enhanced rated facilities support the company's broader financing framework as it continues to invest in business expansion, capacity enhancement and operational development.

20 Microns continues to focus on disciplined financial management alongside its expansion across industrial minerals, specialty chemicals and related value-added businesses.
